“ *Dear Paula & Will, just learned yesterday of Larry's passing. Don & I have many happy memories of BBQ parties at your home and other occasions that we shared with you.  
When I think of Larry, I think of his big smile, warm handshakes, hugs, corny jokes, and mostly, his kindness that seemed to be nonstop.  
We are sorry for your loss here on earth but rejoice in that Larry is with The Lord now.  
You remain in our thoughts and prayers.

“ Larry was a friend from the first time I met him. Then when I married into the family, he was family. He was a big man with an even bigger heart. Always had a smile on his face and joy in his heart. He was just an all around good person who loved God, his family, his church, and his community. Larry, you will be missed by many, but I'll be seeing you. I love you buddy.

*You could be very hard pressed to find anyone as kind and with a beautiful heart as Larry. It has been my most revered liking to have worked with Larry and shared the stories of his life on the river and other prospects. He was a great mentor and a lover of life. The Bratcher family has really lost a great individual. I thank God for knowing and sharing stories with him. God bless his family during this time kk Tom Dingess*
