“ Well old buddy you beat me to the great somewhere.. Haven't seen you for many years but will never forget the years we spent as BFF back in the late 1950's and early 1960's. We has some really great adventures like the time you broke your leg when we were skiing in Wisconsin. The trip we took around Lake Michigan when John Hauk got us kicked out of Canada. And on and on. The couple of years that I worked for you and your Garnet at Craig's Clothing. When you were one of the groomsmen in my wedding in `65.. So many fun memories. Love ya buddy and I'll probably see you again soon..

Larry was a great friend, kind, funny, lovable and we enjoyed spending time with him and Carolyn either just sitting around talking or being on the golf course. He probably has already played a couple of rounds of golf. He will be missed by all his family and friends.
