I talked to him many times while he was in Iraq on instant message while he was at his post at night. I will long remember our conversations we shared. Love you all and know that God is with you and Larry Curtis is with you always. Love you "Cuz" and as I told him many times, "Thanks for defending Our Great Nation!" “ My thoughts and prayers are with you during thie difficult time!
Curtis- you will be missed very much! May you rest soundly in the
Arms of the Lord. I can tell by that look friend, that you need to talk,
So come take my hand and let's go for a walk. See, I'm not like the
others - I won't shy away, Because I want to hear what you've got to
say. Your child has died and you need to be heard, But they don't
want to hear a single word. They tell you your child's "with God", so
be strong. They say all the "right" things that somehow seem wrong.
They're just hurting for you and trying to say, They'd give anything to
help take your pain away. But they're struggling with feelings they
can't understand So forgive them for not offering a helping hand. I'll
walk in your shoes for more than a mile. I'll wait while you cry and
be glad if you smile. I won't criticize you or judge you or scorn, I'll
just stay and listen 'til your night turns to morn. Yes, the journey is
hard and unbearably long, And I know that you think that you're not
quite that strong. So just take my hand 'cause I've got time to spare,
And I know how it hurts, friend, for I have been there. See, I owe a
debt you can help me repay For not long ago, I was helped the
same way. As I stumbled and fell thru a world so unreal, So believe
when I say that I know how you feel. I don't look for praise or
financial gain And I'm sure not the kind who gets joy out of pain. I'm
just a strong shoulder who'll be here 'til the end- I'll be your
Compassionate Friend. Jocelyn www.myspace.com/jocelyn0604 jm
