“ *Larry and his brothers and sisters grew up with me and my brothers and sister. Our mothers were best friends from the age of 11 years old, and our Daddys were lifelong friends. I was the “tagalong” kid sister, following Larry and my brothers when they would allow. I loved Larry just like one of my own brothers. He was a dear friend throughout our lives. I will be one of many who will miss him dearly. Fly high, my friend. ❤️🙏❤️*
