“ Dear Katie: We are truly sad in the passing of our good friend Larry. We have fond memories of the times the four of us shared when you would come back to Wi. Also looking back when I first started A&D Auto and Larry went with me to the Jefferson Auto Auction, and introduced me to all the right workers and dealers that I could trust. And Katie you were also very helpful in the workings and the rules of the entire auction as you had worked there also. Both Dolly and I valued our friendship with you and Larry more than you will ever know, and we are praying to the Almighty God to comfort you in this time of loss. So in closing we say to a true and trusted friend, Goodbye Larry.

All our Love

“ Kathy - You may not remember me, but I worked in physical therapy when Lisa was being treated at the hospital. I remember you because I was so impressed with the way you treated Lisa, and how much she seemed to like you, and you weren't even married yet. Over the years, I have often thought of your family, especially Lisa, and would ask Glenn and Shirley. My thoughts and prayers are with you and your family. With deepest sympathy. Kay Schultz

“ Kathy, So sorry to hear of Larry's passing. He was always so good to our son, Joel and taught him so much about mechanics. Larry always took such good care of my car whenever necessary and went above and beyond what was expected. I've known the entire family since Larry was in grade school; wonderful people they were. Ray will miss his and Larry's phone time. They would talk for hours a couple times a week every week.
