“ I was so sad and heart broken to hear of Larry's passing. I did not hear about this until Dec 12th (my birthday) after 1pm as I was in Florida. So I never got to say goodbye. Larry was my employer from 1987 til 1989. We stayed in touch for another 31 years after that. He was my friend. I will always remember him with fondness. R.I.P. Larry.

“ Robbin and I met Larry about 5 years ago when he attended a worship service at Pauley Swamp Baptist Church. Over the years we developed a strong connection with Larry because he was such a warm and caring man. He treated us like family as he did so many folks in the area. He was deeply rooted in the past yet he joyfully lived in the present. He was extremely supportive of Robbin having kidney transplant surgery and always ended any conversation we shared with “I love you, Robbin and please tell Lucy I love her too”. He was a big guy with an even bigger heart, and we will miss him. However we know where he is and will see him again. He’s in heaven making friends with everyone he meets there. We love you too, Larry.

“ *The girls at Tidelands Infusion were saddened to hear of Mr. Paul's passing. He was always cheerful and pleasant to be around and it was a pleasure to care for him. He purchased a beautiful bird feeder for the new infusion center when we finally got windows and took great joy in watching the birds during his treatments. Every time we look out the window and see the birds we will think of him. He will be greatly missed.*
