“ *Larry Smallin was my grandfather. He taught me so many things in my life and im proud to say he's a very integral part of the man I have become. Every memory that I have of him is filled with positive energy And smiles and laughter. For all the hunting, fishing, and adventuring we did I couldn't give up those ememories for anything in the world. In the final few years where he became unable to pursue such activities, the light never faded inside him and I knew till the end his spirit was filled with adventure. Though he is gone, his memory and his love will never leave me or my family. I love you Papa, I would never change the life we've lived together for the world.*

“ I was about 15 when I first met Mr. Larry and Mr. Gary. They were so sweet. My mom moved us to 2nd Avenue in Conway. The whole family were always like our family. You truly will be missed. Sorry for your loss!

“ My fondest memories of my childhood is when all my siblings lived at home and we would go camping for weeks at a time. Larry and his twin brother was absolute goof balls and no matter how down you could be they could put a smile on your face. I will miss you Larry but i am happy your battle is done.

Been a very long time since I've seen Larry or any of this family as a matter of fact...but I will never forget any member of this family for we were all in church (Oakland Baptist) on Sunday mornings...our parents made sure of that! Always had a smile on his face and friendly as could be....so sorry for the family's loss....but happy for Larry for he's gone to his Heavenly Home and happy knowing there's a Homecoming Day soon! Prayers for his loved ones

Larry was my double 3rd cousin. We would get together with all of his family when we were kids. I will never forget how much fun we had running around the woods and playing in the creek at my great aunt's house or my grandma's house. Riding in the back of an old pickup truck going to the river etc. It breaks my heart that you have left us, and I pray for Linda and your family.

“ *Larry was one of the kindest people I have had the privilege of knowing. He always had a welcoming smile and hug for anyone he knew or met. He and his wife Linda welcomed me to their home last Summer where they made me feel like I was home. The memory I most remember was the day Larry went outside in his backyard, gathered up wood and built us a bonfire. We used tree limbs to roast marshmallows over the fire with other family that was here visiting. It was such a good time getting together with everyone and I thank Larry and Linda for making us feel so welcome. Thanks for the great memory! Love you and rest in peace, Larry.*
