“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as the comfort found in God's word the bible. Romans 5:12 says, "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ Dear Jennifer, I first met Larry when he began work at Escod and both of us worked in the Inspection department. Then we worked together in the Estimating department. I remember when you were born and how loving and taking care of you changed his life! He gave all of us so many laughs and I had a yard stick with his name on it that the plant manager signed and gave me permission to "whack" him with it anytime - because he picked / played with me so much! Of course, that made it even funnier to him that I would get the stick after him! I also remember one year, my sister picked you up and you went to Olyphic Church for Vacation Bible school! Of course Larry was there to see you in the commencement program! HE WAS ALWAYS SO PROUD OF YOU! I'm so sorry and know you and all your family are hurting from the loss. Please know that I will be praying for you in the days ahead! Elaine Cox
