“ To all the brothers and sisters, Uncle Larry will be missed, but God so fit to let him leave this world with all the brothers and sisters, brother in laws and sister inlaws and nieces. God knew we would not want him alone when he left this world and went to that beautiful place beyond the skies. He knew he was loved and he loved you all very much, each and everyone of you had a special place in his life. He smiled and carried each one of you in his heart. he loved his family. Now grandma and granddaddy Uncle Harry and Dad will take care of him until we meet again. I LOVE EACH OF YOU AND WANT YOU TO KNOW I AM ALWAYS HERE FOR YOU. Special thanks to Uncle Phil and Aunt Lillian for Loving your family and making this week possible for all the brothers and sisters. They got to spend his last days with him and he died with the loving brothers and sisters with him. I cannot thank you enough for that....Love you all

“ Doug and Family, Your dad was a great man. He will be missed deeply. I loved him very much, he always gave me a smile and a big hug. He loved children we heard about the grandchildren when he came bay. He lived his life the way we all should live, loving and laughing letting go of things we cannot change and changing the things we can, He learned and taught us a lot lessons. To be the best we can be, to never take life for granite. and always love your family. We love you Doug cuz your gonna miss him but remember you can always see him again if we are saved, we will walk the streets of glory with him. love and prayers Doug always here for you....
