“ Oh no. I just saw this and am so sorry to see this.

I loved Larry and did we have some wonderful times. When I worked the Boulevard at nights I loved dropping by to see him. He was so funny.

And when we went fishing in the Inlet we had a blast.

He will surely be missed.

Helen, Jennifer and Heather,
I am so sorry for you're loss. Some of the best times I've ever had were with you Helen and Larry, when we need a laugh all we have to do is think back on those days . I'm grateful that God put you all in my life years ago, and that our children have each other to lean on in a time like this. We love you all.

“ So sorry to hear about the passing of Larry and wishing his family God's comfort during this difficult time. Even though I have not seen Larry in over 10 years, my memories of him from fox hunts back in the 80s, 90s and early 2000 years are vivid. He always had a smile on his face and made you feel important when he saw you at our events. I remember the year he was the President of the United States Open Field Trial and we were holding it in Bennettsville, SC for the first time. Larry did so much leg work to make it a success, but he kept worrying about the banquet and having to speak in front of the crowd. I assured him no one ever died from public speaking, and that I would be right beside him to catch him if he fainted. Larry did an excellent job and we had a successful 2000 USO event because of his hard work. I thank God that I knew him and will never forget his smile. I do wish someone with the family would email me at boogieboo@embarqmail.com with a family desire for a memorial donation in Larry's name, he was one of our Honorary Directors with the USO and we would like to show our sincere appreciation for what he did for the association in the past. Again, sorry for his passing and God Bless.

Sincerely,

Jeff Brinchek - USO Field Trial Association Secretary
