“ *This is bittersweet. I know that my Aunt is enjoying her time right now with God and her mama and siblings. But I wish I could have seen her at least one more time before she took that journey. I must remember that life is Gods plan, not mine. And I must be patient.*

Tony, and the rest of the family, please know that I am praying for you all for God to give you peace and loving thoughts during this rough time.

I love everyone and please keep me in your prayers as well.

Love,

Sammie 'Klecan' Gripentrog, with husband Brant

Oh how I know they was so thrilled to see you coming through heavens gate..I'm glad you're now healed and so happy.. Now we just have to figure out how to do the rest of our lives without you...
