Tribute Wall

“ *Laura was one of the most consistently conservative political activists I have ever known. She was intrepid. Mark Sanford once referred to her as "The Lady who runs South Carolina." She could get anyone on the phone and often convinced them to help whatever cause she was championing. It was never about her, it was always about the cause. Her last cause was the election of Donald J. Trump. I had the privilege of knowing her, traveling with her (what a driver she was!), helping her causes and cheering her on. She is irreplaceable on earth but we need champions in Heaven. She is in my prayers and will be part of my prayers. God bless you, Laura. I hope your son and grandchildren will carry on your great work when they finally return to the USA. We need more people with your spirit if our republic is to survive.*

I am sorry I did not learn about Laura's passing until late and just realized I could write a tribute to her on this page. Many thanks to her family for making this possible and God bless you. Christina Jeffrey, Spartanburg, SC

“ *Ms Laura was an exceptional lady who will be missed by all of those who loved her. Even though she had classiness about her, she was warm and inviting, and it made people want to gravitate to be near her. She was a "true SOUTHERN lady. You'll be missed by your WARRIOR WATCH RIDERS FAMILY !*
