“ *I had the pleasure of working with Laura for several years at Bravo Pizza. Mrs Laura, was kind, loving and generous to all. She had a wonder sense of humor - a sheer joy to be around. She was unwavering in her thoughtfulness and caring actions. She was a very intelligent person, very well read and had great knowledge on many things. Her baking, for all those who had the pleasure of sampling it, was divine. She loved her family dearly, especially her daughter, grandson, mother, father & siblings. She spoke of them many times with great love. Mrs Laura, I will miss your friendship, your kindness and your laughter. ‘Winter has come. And it has not been kind.’ Although you are in a far better place, those of us left behind will miss you dearly. We will hold your memories close to heart. Prayers of our deepest condolences to your entire family from all of us.* ”

*Love you sincerely, Silvia, Peter, Gabriel, Alexander and the entire work team at Bravo Pizza.* ”

“ I just heard... I am so sorry I don't have a childhood memory that her and I weren't together..Between the trips to the beach or just playing in the lockerplant or at the grill or her being at my house and us going skating and having goodtimes climbing trees making mud pies... We reconeccted on Facebook couple years ago always saying when things slowed down we would get together and never did.... Again Miss Joyce Debbie and Marty and family I am so very sorry.
