A celebration of life will be held in her honor in September, and in lieu of flowers, we are asking individuals to make donations to the American Cancer Society in Laura's name at donate.cancer.org.

“ Laura contributed to Salty Dogs Rescue in several ways which is how I came to know her. Although I knew her for just a year, i felt she was special and I connected on a Speer level than many people you meet. To the family my heart goes out to you. Laura had a heart of gold. I am so sorry she has left us, selfish as that is bc cancer SUCKS—it is good she no longer suffering. :,,(

She was an amazing woman, fierce, loyal, and animal lover. One day we will share a glass of wine (or two) again. Until then, raise some hell, find peace my sweet friend.
