“ I want you to know that my heart will always be thankful for having Laura Ruth in it. When I lost my Mom, she stepped in and helped me to understand that our lives had to go on. She showed me how to love, how to care, how to share, between her and Carlyal they even showed me how to keep my teeth clean. She helped my boo-boo's to heal, she would brush my hair at night before bed as a child. I could talk to her about anything. She was my best friend. The Lord needed her and I understand that cause he know's what's best, I just want this family, which is and always will be my family to know how much I love them. It maybe hard to understand why this should happen to a wonderful person like Ruth, well our Lord knows what she needs and at this time she needed to rest. Lord Jesus please help our family to heal, please help us to watch over each other. Nite-Nite Ruth I love you, please tell Momma, Coot, MaMa, and Keith Earl, we love them so very much and we miss them too, we'll see them one day.##imported-begin##Nora & Kevin Register##imported-end##
