“ My deepest sympathy to you, Sue, and your family on your loss. I was out of town and didn't read the paper until I returned. I will always remember you and Laurie letting Homer bring our children to the motel swimming pool and how much it meant to all of them. You are in my thoughts and prayers during this very difficult time in your life. Most sincerely, Barbara###imported-begin###Barbara Bessent###imported-end##

“ My wife and I send our deepest sympathies to this family. I interviewed with Mr. McLeod many, many years ago when he was assessor for Horry County. I was a tax assessor in Md. and was looking to relocate. Although the position didn't work out (salarywise), I never forgot how kind he was.(I stayed in Md. and retired as an assessor after 40 yrs. in Md. and have retired here). He always asked about me when he would see my mother-in-law around town. People like Laurie are one of a kind and he will be missed.##imported-begin##Ralph Bean##imported-end##

“ Sue, Ellen, Emily, and all: For all my life, Uncle Laurie has been a kind and gentle man (with a wicked sense of humor, too!) that always showed his family and friends how much he loved them - in his words and in his actions. He was, as his obituary says, an extraordinary man, and I mourn his loss for all of you and selfishly for me, too. You are very lucky to have had such a good husband, father, grandfather, brother and friend. My heart is with you all.##imported-begin##Jenny McLeod##imported-end##
