“ Jean and family: Read of Larry's passing this morning in The
Anderson Independent, and was terribly saddened. Jean, don't think
that we met but once, and that was after y'all had moved away from
Anderson to the coast, but Larry and I were friends for years. (I
worked for CapitalBank on River St.) Larry was one of the finest
people that I have ever met, and would absolutely help anyone in
any way that he could. I often think of him, although it has been
years since I had seen him. I know that your family has a hole in the
heart right now with the loss of Larry, but if I know Larry, he is in
God's presence, and making friends and helping others. May God
comfort you in these hard days ahead. Arnold Comer###imported-
