“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ Grandpa,

*You were truly one of a kind. I always bragged to all my friends about how you were the coolest and best grandfather on the planet and it was the truth. I always looked up to you and admired you. I will never forget being in your garage with you practicing putting with that big ol cigar in your mouth. Teaching me how to play by bringing me to the driving range and letting me play with you and your buddies out on the course. you were always so much fun to be around and we are going to miss you so much. We all love you.*

*Love Tommy*

“ Grandpa,

*You were such a wonderful man and will be missed by so many people for so many different reasons. I will always remember the times we spent together, the advice you gave, the jokes you told or just the way you greeted me at the door when I would visit. I still cant believe you are no longer with us but I am so happy that I am part of this family and had the privelege to call you Grandpa. You are loved, missed and will be thought about each day. We will take care of Grandma for you.*

“ *It's extremely sad to see a good friend pass through this life so early. I have enjoyed Larry through many endeavors on the golf course and just plain day-to-day conversations. We send our condolences to the family and his many friends around the area. He will be missed by many for his wit and friendliness. May God bless his soul.*

“ *I know that it will be difficult for our family going forward without Larry in our lives. He was a very strong and positive person and would always look for the best in any situation and would want us to do the same. Let's remember Larry for all of great qualities and appreciate the time we spent with him. We should make sure that his memory lives on in all of for as long as we live. Love Vicky & Jim*
