“ Dear Family, I offer my deepest condolences for your loss. May the God of compassion provide your family with comfort at this difficult time. (Revelation 21:4, 5) I'm sure that words could never ease the pain and heartache that you are suffering. May God's love touch your hearts with his future promise at Acts 24:15. You're in my prayers.

“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ My thoughts & prayers go out to Leah's family. I had the privilege of knowing her while at GSFM/HS & watch her graduate. I am heart-broken about this and Leah was a beautiful, charming, out-going young lady. May GOD wrap his arms around you all. Heaven gained an awesome angel but way too soon for me. Words cannot express how sorry I am over this. Thinking of you all.

“ *Can't believe a beautiful soul is gone so soon. I remember when you first started cheering with us your senior year. You were so nervous, but then we became "butt buddies" and we had a blast and made the best of it. You will be forever missed Leah. Rest in paradise sweet angel !*

“ My heart breaks for all of you, Tim, (Tammy and Lana Grace, her grandparents and all of her family and friends). Though I didn't know Leah personally, I knew she must be a very special person, because she has a special father. It's difficult to find the words to express what is in my heart. Just know that you are truly in my thoughts and my prayers for your heart to heal one day. God bless all of you. Sincerely,
Ann Pressley (Eatonton, Ga)

“ It seems just like yesterday that I went to the hospital to see Leah for the first time. She was beautiful right from the start and over the years she has become even more beautiful! Tammy I pray for God to give you the strength that it's going to take to get you through this time and through the years to come! Leah was so lucky to have you as a mama cause you are an AMAZING MAMA! I would give anything to be able to help take away all of the pain that's in your heart! The pain that you are having to go through as a mama is a pain that know one should ever have to go through! I will pray each and every day for you that God will guide you through the hardest time of your life and I will pray also to God to help you be able to deal with the worst kind of pain that a mama should ever have to endure!!
