“ When we were growing up, Bob and I always enjoyed playing at Mrs. Marvidean’s house with her kids. We were always back and forth between houses, and her kids did the same. Mrs. Marvidean would take us around at Halloween and we would always end up at her parents’ house for sugar cane. These were some good times. Please know that you are in our thoughts and prayers at this difficult time. Phyllis F. Morrison

“ *Words can not express how Aunt Maridean was back in her day. She could whip you up a dress or curtain in no time. We always cooked a hog every other month, her and her husband Tommy went with mom and dad everywhere and was really close as friends. Aunt Maridean will be missed and knowing she is at peace will help her children Brenda, Donna, Karen and Mike to believe they will see her again in full body and mind. We will miss you RIP. Love and hugs to the family . Vicki Frye Jordan*

“ *Brenda, Donna, and Karen and Mike, I am so very sorry to hear of your Moms passing. I had known your Moma for many years. She was a very fine lady. It has been a few years since our pathes had crossed but I always considered her my friend. May God bless and keep you, as you get used to a new life without her.*
