“ *Bill*

Sorry for your loss. I am glad that Lee and I had crossed path. We had much fun working and having lunch together day after day when I was still working at JFK. She was fun and forever young at heart. Please take care of yourself. My prayers are with you and Lee always.

“ *We were Lee's friends from her childhood and teenage years in Camp Hill. her impish and delightful sense of humor made her a popular part of our small high school class and we have warm memories of our good times together. Our sympathies go out to her husband, Bill, her family and the countless friends from Camp Hill and elsewhere who will remember her fondly.*

“ I went to Wesley College with Lee in 1961-62 and she was without a doubt one of my favorite people both there and always. She had such a gentleness about her and wonderful sense of humor. Even though she was a year ahead of me, we kept in touch for the next 45+ years and I'll always love her. With sympathy to Bill and the family, Nancy (Binnsie) Fraser

Bill, all your friends and co-workers here at JFK who knew you and Lee are deeply saddened by her passing. She was special and ever so cheerful and gracious to all. I, like John, believe I was blessed to cross paths with Lee and to have known her all those years at JFK. God Bless you in this time of sorrow and may Lee Rest in Peace.

“ *My dear friend ... were there but one memory that stood out above all others, that, I'm sorry to say, is quite impossible to choose from. They were all so cherished, every moment with you was contentment, happiness, fulfillment. I love you dearly and was blessed to have crossed your path, now rest my friend and know the eternal joy of peace and perfection. Love, John Nunley*
