“ Jr will be missed in our family. He was a funny person always had a joke or story for you 😂. There was never a dull moment around him. He had the best garden, wine and muscadines. I always knew I was leaving with a bag full, cooler and a gallon of that Bone's Farm wine. Not to mention whatever else he had to give me. When I was younger he always slipped me a little gig. I know he got some laughter going on in Heaven. Prayers for my sister, Helen as she continues without the love of her life. Also for Fulton and the rest of our family. RIH Jr Bone!!! Memories I could go and on Oyster roast, family gatherings, boat rides, water skiing. The time he took me to see Mr. Gore on 2nd Ave to talk some warts off me 😂😂😂 I am laughing but trust me it worked. Prayers for you Helen that God comforts you during this difficult time.

My sympathy to the Bone family. Junior had a great personality and made those around him at ease with his humor and friendly ways. May special memories be of comfort to Helen and the entire family.

“ My brother-in-law Junior was one of a kind. We will all miss his humor and antics. If you were in the room with him, he had you laughing about some foolishness all the time. He was a kind individual and would do anything for you. I know my Sister, Helen is definitely going to miss her sidekick as they have been married so many years..basically grew up together and I have known him since I was a very young. We will miss you but know you have them laughing in heaven....RIP...you fought the hard fight, so go live high on that mountain. Love and hugs to Helen, Fulton, Steven and Nick...cherish your memories.

“ Uncle Junior was a wonderful man, a practical joker, and a caring soul. He will be greatly missed.

Sending my love to you Aunt Helen, and you Fulton, as well as all of his family members and friends during this difficult time. Words are not enough, but I hope they provide you some comfort. He left his mark on this world, and it will be a much quieter place without him.
