“ Thank you mama for everything you taught ur boys about life. i promise you it will not be put to waste. you will never be gone. you will live on through us. we love you mama. I love you and you will never know how bad i miss you blowing my phone up all times of the day and night. if i could get just one more chance there is so much i would tell you mama but i promise the conversation would start with "I Love You". you always told me to never walk away from you without hugging your neck and telling you those three words. i thank God i had that last chance to do that. im so glad that last phone call was one i didnt ignore. I love you mama more than words could ever describe and i got your boys. I'm going to make sure they always have a home to come to and a room at my house. Just like you always said you wanted for us. you were my best friend, my sister, my homegirl, and most of all a great mother. i dont know if these tears will ever stop but i pray you will help me get better and stay strong through all of this. your granddaughter is absolutely beautiful mama. she lloks alot like you. beard and all.lol. I love You mama and cant wait to see you again one day. Bohemian Rhapsody-my happy place. thank you for everything you did and continue to do for me and my brothers mama.

Garrett...you don't know me but I was a friend of your mothers before you were born. She was at my home when she started goin into labor with you. Was searching for her on the web and this came up. I haven't seen her in so long but know I thought the world of her. I am so sorry for your loss and hope you and your family are doing well. Much Love,

“ Leigh, I cannot believe this has happened. You were such a loving person with so much passion in your heart. You had been cutting my hair for the past 5 years and I never wanted anyone else to cut it because you knew exactly how I liked my layers. I will never find anyone else who can do it like you did! I will miss you so much and I know that you in heaven looking down on me, as well as your family and your new granddaughter! You will be much loved and extremely missed by too many to even count!

*Leigh,
You will truly be missed by everyone and the best hairdresser I ever had.*

“ *Leigh, every time I saw you, you were the same -- it didn't matter what you had going on in your life. But when I saw you a week ago Thursday, you were the happiest I had ever seen you. It was like the heavens were smiling down on you...now I know why -- they were about to get an angel. You were taken from us way too soon, but God makes no mistakes. I love you, and I miss you dearly. Rest in Peace.*
