“ i worked with Leisa several years in the late seventy and eighties, she was our keypunch operator in crystal River FL..This is when she was a single mom, She was always up beat and everyone enjoyed working with her. Leisa as a single mom, however dedicated to her job and her first born child. I have never forgot about leisa after all this time. Or the closeness her sister Donna and her shared. Donna would often spend time with leisa while attending High School. I lost touch with leisa in the 80,s, however never forgot the wonderful person she was. To her family and friends remember, She is in your hart and a part of you, gavin6019

“ I think of you often. You were such a kind person. My uncle and my grandmother loved you so much. I saw them on Easter Sunday. It was heartbreaking that you were not there to sit with us and laugh. We miss you.
