“ I have been fortunate the last two years to have a part time/retirement job that gave me the opportunity to work for Mr. Nick and Mrs. Lena. This allowed me to not only learn how great in business they were, but what big hearts they had for people. She had a deep love for her family and was very proud of them. All of you are in my thoughts and prayers and please advise of any assistance I may be able to provide.

I am so sorry to hear of Lena's passing, I knew that she was sick for a while but she was so tough and strong back when I saw her a lot. It is hard to imagine her passing. It was always interesting to visit with her and I know you all will miss her a lot!
