Tribute Wall

“ We have a built-in desire to live and enjoy life with our family and friends. That is why death is not natural for us. When we lose our loved one, for what ever reasons we may believe, it is distressing, because we miss them very much. At these times, we need encouragement and hope so that we can cope with our lost. For that reason, we can be encouraged by reflecting on the promises that God has given us thru his word the Bible, concerning the hope of seeing our love ones again. I hope that you find comfort in reading these scriptures. John 11:11-44, John 5:21, 28, 29 and Revelation 21:4. My prayers are with your family.##imported-begin##Karen Cross##imported-end##
