“ Mr. Leo was one more SPECIAL person in my life. Our gardens, and sharing things we grew has made for some happy times. He knew something about almost any subject and I never tired of his stories. I will really miss my buddy. I have you, Hazel, and the family in my thoughts and prayers at this time. “ Dear Hazel & family, I'll surely miss my sharecropping buddy Leo. We had fun sharing vegetables from our gardens and boasting which were the best. He had a dry wit that I always enjoyed. It was comforting to know that he was patrolling the neighborhood and keeping up with all of us. Von Baker##imported-begin##Von Baker##imported-end##
