“ Leon was a special person to me, a HAM member from Snowbird country. He was one of the first members of the local Club to welcome me to the group and to continue to welcome me every year as I returned south. I looked forward to his gentle persona and sincere greeting at the Club events throughout the winter months.

My condolences to Edward and to all of Leon's family. Cherish the legacy he has built for you.

Best regard to all of you.
