“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away

“ *Leon was a wonderful father, grandfather, friend, and co-worker.*

There were times when my job as office manager at Lane put me at odds with him as the plant superintendent, but I always respected his views which protected the plant employees and the truck drivers. He taught me alot about the metal pipe business. I knew I could always wave him down while he was mowing the lawn at his house across the street and ask him a question.

Aaron and I looked forward to our dinners and cocktails with Leon and Sally each year during our visits to Myrtle Beach. He will be greatly missed. See you in August, Sally!

“ *To the Family.*

I am sorry for the lost of your family member and dear friend. I have an encouraging message that I would like to share with you from God's Word the Bible.

Like many people we all want to live and enjoy life with the ones we have lost to this aged-old-enemy death. Sadly, though because of health issues, injustice, crimes and old age we have to suffer the pain when ones fall asleep in death.

In the Bible at John 5:28,29 Christ Jesus states that all those in the memorial tombs (graves) will hear his voice and come out. These ones according to Psalm 37:11 will be resurrected right here on the earth.

The Bible also gives us comfort and hope at Revelation 21:3-5 which assures us that the day is soon to come in which our Heavenly Father is going to wipe away the tears of sorrow from our eyes forever and death will be no more.

I hope that after reading this that it will be of comfort to each of you.
