“ Ms. Leona was a fun, loving, caring woman who brightened the therapy room and the halls in the facility with her smile and her great sense of humor. We will miss her riding by on her scooter and sharing words of kindness with everyone around her. May God comfort all who knew and loved her.##imported-begin##Therapy Department at Conway Manor##imported-end##

“ *The last time I saw Aunt Leona was at Easter time 12 years ago after my daughter, Virginia, was born. She came to New Orleans with Aunt Annabelle and her son James to visit my parents. Being a first born New Orleanian, and thankfully marrying into a huge Cajun French family, I really missed not growing up with my Anderson relatives or getting to know them, and I know there's an empty spot in our lives because of that. I still remember going to SC when grandma Anderson died and hanging out with Wendy and Wendal. My heart goes out to you Wendy, Wendell, and Billy Joe because I know what it's like to lose your momma and my brother Johnny who died 5 months after Katrina. I'll be praying for all of you during this time and wish you all better days ahead. Sincerely, your distant cousins, Dee Bonvillian and Bonnie and Jimmy Anderson.##imported-begin##Dee Anderson Bonvillian##imported-end##*
