“ I Never had the pleasure of meeting Mrs. McCormick, but all I need to know about her I know in her son Rod. I had the honor of working with him for several years. He is a man of honor and integrity. A man that influenced others and contributed to this state in ways that few would know. Only a very special woman could have raised a son like Rod. A son that a know she was very proud of.

Rod, I am truly sorry for your lose.

Rod, Ray & Family: Oh how I loved Ms. Leona!! I was so honored to have been her Sunday School teacher for many years! We shared so many memories with each other when I would visit!! She loved me unconditionally & was always supportive in my endeavors. We laughed, cried & prayed together over the phone & on many occasions! She always gave me motherly advise which I cherished. Our loss is certainly heaven's gain. May God give you peace & acceptance in the days ahead! Absent from the body, present with the Lord! What a consolation! She'll be missed by all that were privileged to have known her!! 🙏
