“ When I worked on the genealogy of my paternal great-grandfather, Wade Hampton Richardson, my uncle Billy Richardson (Britton's Neck) told me a cousin I'd never met lived in Sandy Run.. ."not too far from where you live." I looked in the phone book and found Lanier and called. He sounded just like my brother Bo as he said, "Get your butt on down her." He provided the lineage of most of my grandfather Jeff Richardson's brother Bill Richardson. When my nephew Paul (son of Lillian) told me Lanier wasn't doing well, I made contact again. He was in and out of the hospital and Lexington Extended Care (2021) but he became a part of our church fellowship by being on our prayer list and best of all--he became saved! Melvina too and she came to church until she had to care for him 24/7. Our last good visit we played rummy and he beat me! He was such a smart man and witty. He listened to the stock market reports and kept up with the business world. He was a dear man. When I left their home on my last visit, I knew in my heart I would not see him again until we were surrounded with the lights of heaven (not made with sun but Christ Jesus). We who are saved WILL see him along with all our other loved ones who chose to accept Jesus Christ forgiveness and Lordship. Lanier is more alive now than he ever was on this earth!
