*I couldn't have picked a better father. He was kind, funny and you never knew what he was going to do. He was a great dad and granfather, plus a wonderful father to my sons. He knew me inside and out. He helped me through good and bad times giving me advise when I asked. I can't replace what he means to my heart but I'll love and miss him till I see him again. Thank you god for ending his suffering. Love you dad*
