“ Jackie, I'm so sorry for your loss. L.T. was a fine, fine person. I have many great memories working with him at GTE. He was always easy to work with and willing to help with any project assigned to us. We could always count on L.T. to be there helping out. It was my honor and my privilege to know him. He will be missed by all of the old gang at GTE/Verizon. I'm sorry I can't be with you at this time. You and your family are in my prayers and as God has blessed me by knowing L.T., I know he will continue to bless you.
