“ We loved Leroy. We met him down at the marina in Murrells Inlet several years ago and always made every attempt to go down to the "chat room" when he was there. There was never a dull moment as every subject under the sun was discussed. We will think of you every time we go to the marina and be assumed the rest of the gang will always keep your name alive. Thanks for your friendship.

Thank you so much Tommy and Liz. Leroy thought a lot of both of you, too! And he was particularly fond of your Marconi Peppers! He was absolutely my best friend and the love of my life.....never a dull moment with him. He made me laugh everyday...even yesterday morning. Becky
