“ Dear Chris, Stephanie & Family, We wish there were some 'magic words' to help ease your pain, but we know there aren't any. Please know that you will be in our thoughts and prayers in the days, weeks and months to come. I wish we could have been there for Leslie. Please know that offers of help are genuine and sincere. Unfortunately, you will need to ask others for assistance, as they oftentimes don't know 'what to do' unless we who are bereaved tell them. Please, do. Asking for assistance is a sign of courage and strength. We're ALL in this together, we only need to know 'how' to better serve one another.
