“ *Granny Lessie was definitely one of a kind. She touched so many lives and was so selfless and so giving to everyone she met. She LOVED to sing. She had so many special qualities, I couldn't even begin to name them all.*

She was also full of stories and if you let her, she could talk for hours. Man how I wish I would've recorded those stories if only just to hear her voice again.

I think the thing I will miss most about her is her smile and her laugh. That smile and laugh just brought so much joy where ever she was.

I am also so very grateful for the times I got to spend with her. I will treasure them forever.

I love you and miss you Granny Chick. Be blessed on your journey as you have blessed us with your love, spirit and strength.

*Love,
Marcia*

“ Aunt Lessie's passing leaves me saddened but grateful for the many memories I have of her. To describe her as anything less than a "character" would be a travesty. We are blessed to have had her in our lives. May you find comfort in your memories and inspired by her faith in God. "Midget" (Sandra Hyman, Spartanburg, SC)

Aunt Lessie was a great influence in my life. Wish I could be there, but there are extenuating circumstances. Loved this lady very much. She called me about 2 months ago and I enjoyed talking to her. I looked forward to visiting her when I was in SC and taking her some La. sweet potatoes. I will miss her very much when I am in Murrell's Inlet.

She had one of the sweetest smiles, next to her sister(my Mom, Trizzie Lowrimore). I feel the sorrow that you feel. May she rest in peace.
