“ I have always had a deep respect for Lew. He sold me my home in 2004. I have put his calenders on my refridgerator every since. Just looking at his picture always gave me a good feeling. I recently received the 2007 calender. What a great loss. Lew was soft spoken, witty, and just all around good. It was a pleasure working with him. My condolences to his wife Barbara and Family whom he lovingly spoke of often.###imported-begin##Delphia Phillips###imported-end##
