“ *Phyllis and sons,*

Our family is saddened to hear of Mr Steve's death and he will certainly be missed at Lawndale Church. We first met him after Lawndale Church had burned and church services were being held at Princeville Baptist Church until the new church building was built and completed and Mr Steve welcomed our family everytime we would attend church services. We would also see him on occasion when both he and mom would have their doctor appointments with Dr Grubb around the same time and he always had that friendly smile and concern about how mom was doing and that we were being missed at church. There are no words that will ease the loss each of you are feeling at this time, but our family will continue to remember each of you in our daily thoughts and prayers by asking God to give you the peace and comfort that only He can give and allow you to know that Mr Steve is now resting in the arms of his Lord and Savior Jesus Christ. Hold dear the memories that each of you shared with Mr Steve while he was on this side of Heaven and know that one day soon we all will meet Mr Steve and all of the other loved ones that have gone ahead.....Earth's Loss is Heaven's Gain !!
