“ I am so sorry to hear about Lil , She was a wonderful lady whom I worked for . We had many good times together sharing our love for books and many other things. We often went out to lunch and shopping . Lil talked about her handsome Grandson's and how proud she was of them. Her two daughters as well. I loved hearing about how she met her husband the love of her life. I know now they are together once again may they rest in peace .With deepest sympathy . Barbara Toth
