“ My heart is so saddened to find out about Ms. Elwood. She was someone who always had a smile on her face and a hug to greet me with. I have been a member of Socastee UMC for 20 years now, most of them actively, but the last few years I have not been going, for no other reason but laziness on Sunday mornings. Recently, I've started going back to church, but last Sunday, the day of her funeral, I stayed home. I will never forgive myself for not being there; I would have found out about Ms. Elwood's passing and been at her funeral. She was a staple at SUMC for so long. A true example of what it means to be part of a church family. I am so proud to have known her and for her to have known me. I loved her, and sincerely send my condolences to you all. You are in my prayers. And Ms. Elwood, if you're watching from up there, look for me at SUMC...I will be there...
