“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ Lil I am so glad that you came into my life over 30 years ago we have shared many good times together the visit and the phone calls. You were a good friend and also a second mother to me I will miss you. but at least now you don't have to suffer any more. there are not enough words that I could say to tell you and your family what you meant to me I will cherish all the memories that we shared over the years. I know that you are now looking down on all of us. you are in heaven with the angels. you will always be in my heart and one day I will join you. rest in peace (Pretty Lady) I love you, Until we meet again, Juanita
