Such a wonderful lady, hard worker, she could string green tobacco on an old string horse , she always said if you miss that early morning air(5am) you had missed the best part of the day. She loved life, I never saw her when she wasn't happy. The last time I saw her she was 100. She told me and my husband Rex if we would stay till supper she would kill a chicken and cook it for supper. She was in the nursing home then. She was blessing to me from my childhood. She was my Aunt by marriage to my uncle Furney. Rest in peace Aunt Lilly. You were a great inspiration to my moma .Love you. Our loss is Heavens gain.
