“ I am so sorry to hear of the passing of Linda. I know she will be greatly missed by everyone. She was a very sweet person and I can remember of how much she loved painting of native American scenes. I will cherish the one that she gave to me and also to my daughter. I am so thankful to her for helping me and my family being a tribal member , also helping us with our family tree. It was also great seeing her graduate and getting the diploma that she had worked on for years. She was so proud that day and was glowing with happiness. We will miss her.
