“ I am Bruce's cousin from Indiana.I've just looked through the Family Album and I am remembering all the times that my sisters and my brother and I had spent with Bruce and his brother Big Danny. I remember playing in the woods in Kentucky, the time he lived with us in Tipton. Going to Big Danny's High School Graduation and screaming at the top of our lungs when his name was called. I regret that we didn't keep in touch with Bruce over the years. We will remember Bruce as the little boy full of Life and Happiness, his impish grin and the twinkle in his eye. There is a hole in our hearts that will never be filled. We will miss you Bruce. Our deepest sympathies to his Wife and Children From Uncle George, Little Danny, and Randy###imported-begin###Randy Tishner###imported-end##
