“ I met Linda 10 years ago at LC3 Church and immediately knew she was special. I admired her strong faith, love and dedication to the Lord and her family. We worshiped and studied the Bible together in Small Group for several years. Linda was always kind, caring, compassionate and calm in all situations - she will be missed by all who knew her. May her family find peace in knowing she is in the arms of Jesus and they will see her again someday.

“ Oh Lord, how much we miss your precious child, Linda Casey. Over the years here in SC, she was always the source of true inspiration to help others. I shared her passion for reading; she sure could show all of us the way at our book group meetings. I like to walk too, but I never could keep up with this little buzz saw of a walker! Love you, girl! I look forward to seeing you again in heaven.

“ Linda and Doug were the first couple to befriend us at church 14 years ago. Linda was a constant presence in my life since then. She was always there to offer a helping hand and to serve the community. We had a great time cooking and serving at Community lunch .She was involved in many ministries and always organizing meals for the sick or needy. Even through Covid and other busy times we continued to text and meet up for Literary lunches. She was a blessing to all whose lives she touched and will be missed by all.

“ Linda and I were friends for many years. Even when she and Doug moved south we kept in close touch. She was like a sister to me. I could ask and tell her anything. We visited as often as possible. We had seen her sixteen days before she passed. Linda has left a big hole in our lives. She was well loved□
