“ My deepest sympathy for your family's loss. We became friends when I first started going to Island Green for water aerobics over ten years ago. I can still remember her running around doing *EVERYTHING* with an energy I could only envy. Her and I also did the Weight program together...I will miss the impish smile when she took my dollar(a side bet between the two of us) for losing more weight that week. I will also miss that good natured scowl when I got it back the next. I'll miss you Lynda!!!*imported-begin*##Olive McClain##*imported-end*##
