

## Linda Gail Freitas Hunt

June 26, 1945 - May 21, 2023

Linda Gail Freitas Hunt reached the end of her loving life on May 21st, 2023, at the age of 77.

Born to parents George and Zelna Freitas in Tacoma, Washington on June 26th, 1945.

Linda was one of nine children. Her great grandchildren lovingly referred to her as “Granny Clampett”, and like Granny Clampett, she was a crack shot. She is remembered for her love and pride for her children, grandchildren and great grandchildren. Her children and grandchildren remember her as someone who put too much sugar on your cheerios, who drove like Mario Andretti behind the wheel of a car or on a 4 wheeler. Linda was an avid reader who shared her passion for books with her family; at times she loved reading so much she accidentally bought the same book twice. Linda loved spending time in Mount Rainier National Park and enjoyed going on road trips with her loved ones. Her grandchildren lovingly remember eating tomatoes and strawberries from her garden, eating her homemade biscuits, hamburger stew and apple pie; they remember always looking forward to anytime they were able to spend with her.

Linda is predeceased by her beloved husband Jerry Hunt, her parents George and Zelna and her siblings Bob, Gary, Chuck, Ron and Patty.

She is survived by her siblings Don (wife Carol), JoAnne (husband Paul) and Della (husband Butch). Her children, Tim (wife Megan) their daughters Ashlee, Ambria and Alyssa and their 8 grandchildren.

Daughter Kelley (husband Stephen), and her children Gary and Lindsay (husband Zach), and their 7 grandchildren. Daughter Tonya (husband Mike) and their children Trevor and Aubree.

No services are planned at this time.
