“ *How sad! Since moving into our area in Murrells Inlet, Linda & Steve have been the best of neighbors and we became very close friends. We will remember Linda as being so very kind, pleasant, and funny - a person you love being around. She was frail but yet so strong, faced adversities with a positive attitude, but never openly showed people she had problems. Linda, please know that we love you dearly and you will truly be missed. God bless you sweet Linda. (Trudy and Bruce Leibensperger)*

“ We are so saddened to hear of Linda's passing; she was a dear friend and confidante. We've celebrated birthdays and spent the last several Thanksgivings together and Linda was always so full of life and love. My Mom adored her. Our toast before dinner was "to friends, the family we choose". We are grieving a loss to our family. Our sincere sympathy to Steve, Amy and all who loved her.
