“ Dear Wayne and family,

I have had Linda in my thoughts and prayers for the past several years as she struggled so valiantly to overcome her health issues, and the loss of your precious son. It was with great sadness I learned of her passing. I know she is no longer in pain, rather rejoicing in our Lord's presence, along with her son and other beloved family members.

Linda was so sweet and kind to me, those many decades ago, when I was present for so many family events. I will always remember her lovely face and sweet smile, how she was fiercely protective of those she loved, and her laughter. She always showed such great affection and consideration to those around her.

You will all be in my thoughts and prayers now and in the coming days as you say your final goodbye to Linda and celebrate a life well lived. May all the memories you have of this precious lady sustain you in the days ahead.

*With much affection,
